H ₂ S GAS PROTECTION EQUIPMENT		

Council Resolution	GMCS	CC	Cross Reference	Effective
No. 330-91 Date: May 16, 1991				May 16, 1991

Parkland County will provide two complete sets of H₂S gas protection for the County Assessment Department. Employees of this department are directed not to enter a property on which there is an H₂S gas plant or facility without first notifying the plant or facility operator.
