The voice for rural Alberta

## Member Bulletins

### AAMDC releases Rural Connects on Linear Assessment

Last week, the AAMDC distributed the latest version of Rural Connects titled [Funding Rural Growth: The Facts About Linear Assessment](#). Rural Connects is the AAMDC's newsletter sent to all sitting MLAs in the Alberta Legislature. It is used to educate Alberta's provincial elected officials on the issues important to rural Alberta and keep them informed of the AAMDC's advocacy efforts and events.

### First Phase of Public Consultations for North Saskatchewan Regional Plan Kicking Off Soon

The Government of Alberta is continuing to develop and implement regional plans under the Land-use Framework and will be starting the first phase of public consultations for the North Saskatchewan Regional Plan at the end of May. These consultations will provide an opportunity for participants to learn more about the region and share thoughts on the Terms of Reference for developing the North Saskatchewan Regional Plan.

### Participate in AER Webinar on Transloader Facilities

As the province's oil industry continues to grow, transloader facilities are rapidly increasing in popularity in both rural and urban areas of Alberta. Transloader facilities are sites where petroleum products are transferred from one mode of transportation to another

## Announcements

### Industry Perspectives on Brownfield

#### Redevelopment: Register Now for May 27 Webinar

Former gas stations languish as brownfield sites in municipalities across Alberta. To provide municipalities insight on the fuel industry's priorities, processes and challenges related to brownfield redevelopment, AUMA is partnering with the Canadian Fuels Association (CFA) to host a webinar on May 27 from 11am-noon.

### EOEP and Professional Development

At the EOEP, we recognize that one size does not fit all. While dedicating an entire day to taking an in-person course is a great option for some elected officials, professional and personal obligations make it impossible for others.

### RPAP Seeking Feedback

The Alberta Rural Physician Action Plan depends on support from the medical community, the Alberta government and our community partners across the province to ensure the health and well-being of rural Alberta. To serve rural Alberta better, RPAP is asking for feedback in a quick 10 question communications survey.

### Did You Know?

*In the early 20th Century the first highway built west of Edmonton was a "tamarack corduroy" road. This is simply thousands of logs laid side by side.*

Share an interesting fact or story about your Municipal District or County with us; email [aamdc@aamdc.com](mailto:aamdc@aamdc.com).
