**Subject:** 2014 Capital Cost Share

Afternoon Dave. Hope you are enjoying the weather. I was advised by our team in Assets that our Agrena Ice Resurfacer is due for lifecycle replacement in 2014. As a result would you please add this project to our 2014 Capital Cost Share ask.

- Total estimated cost \$122,500 Cost share portion (24%) \$29,400.

This project would be in addition to the two previously submitted 2014 capital projects namely:

- The Underfloor Heat Exchanger
- Cold Brine Piping Repairs

Please let me know if you require anything further Dave.

Thank-you.

Ken
