

2020 PARKLAND COUNTY AGRICULTURE BURSARY RECIPIENTS

PARKLAND COUNTY AGRICULTURE BURSARY RECIPIENTS

- Parkland County supports a strong and vibrant agriculture industry by providing up to five bursaries annually for County residents enrolled in an agriculture related program as per Council Policy C –AD25
- Three residents were selected by the Agriculture Service Board to receive a \$500 bursary in 2020

JORDY HOWLETT

2020 AGRICULTURE BURSARY RECIPIENT

Jordy is enrolled in an Agri-business diploma program at Lakeland College after receiving a Crop Technology diploma last year.

Jordy was a 4-H member for 5+ years, gaining a variety of skills such as public speaking, judging, facilitating groups and being an active community member.

She also belonged to a gymkhana club and spent many years showing horses.

BRANDON WAGNER
2020 AGRICULTURE BURSARY RECIPIENT

Brandon is working to obtain a Bachelor of Science degree in Agriculture, majoring in Crop Science at the University of Alberta.

Brandon has also been involved in the Keephills White Whale Junior Forest Wardens Club, the Duffield 4-H Club, worked on the family's farm and worked as a summer student at Nutrien Ag Solutions in Stony Plain.

He is also a member of the U of A's Agriculture Club.

BRADY GILCHRIST 2020 AGRICULTURE BURSARY RECIPIENT

Brady is enrolled in the Animal Science Technology diploma, with a major in Beef Production at Lakeland College.

Brady volunteered at Spruce Grove Saints hockey games, helped out with and ran in the Great White North triathlon, and played hockey which gave him a great sense of community pride by playing for Parkland Athletic Club teams and the Spruce Grove Regals.
