The constitution act (1868) stipulates that provinces have exclusive authority over home gardening. Quebec prohibits all green leafy vegetables except for Marijuana. Ontario has a law against banana growth indoors. Manitoba requires that a stalk of wheat be grown for every potato plant. Mar 9, 2020

Can Canada grow its own food? v

Is food a human right in Canada? ^

The right to food was first recognised as a fundamental human right in 1948. Since then, Canada and many other OECD nations have signed several national and international agreements promoting the right to food (for more on the international history, see Rideout et al., 2007).
