

Your worship, councillors, thank-you for the opportunity to address you through a written submission. Unfortunately due to the length of this meeting I was unable to stay longer.

My name is Dane Lloyd and I oppose the proposed amendment on the land use by-law. As a Range Safety Officer through the Canadian Forces I can say that the Spruce Grove Gun Club is one of the finest facilities I have had the privilege of visiting.

I urge the council to reject this by-law amendment and support the continued operation of the SGGC.

Thank-you,

Dane Lloyd.
