

Protection of Privacy Policy

Policy C-459

Policy C-459 – Protection of Privacy

Key Elements of the Policy

1. Clarifies roles and responsibilities for privacy compliance and breach management
2. Establishes a risk-based framework for assessing the severity of privacy breaches
3. Sets requirements for breach reporting, investigation, documentation, mitigation, and notification
4. Requires reasonable administrative, technical, and physical safeguards
5. Ensures alignment with records retention and access-to-information requirements
6. Supports ongoing training, oversight, and continuous improvement
