

March 18, 2016

Shawn Patience, C.A.O.
Village of Wabamun
5217 – 52nd St., Box 240
Wabamun, Alberta T0E 2K0

Dear Mr. Patience:

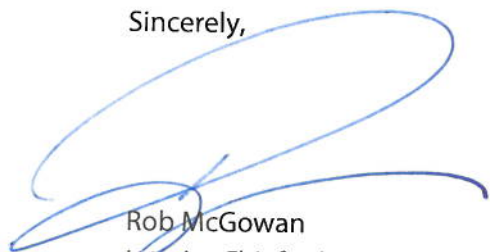

Subject: Village of Wabamun Boat Launch Projects
Alberta Community Partnership Applications

On behalf of Parkland County, I am pleased to inform you of Parkland County's support for the Village of Wabamun's Boat Launch Phase 1 (Expansion) and Phase 2 (Parking), Alberta Community Partnership (ACP) program applications.

In 2013, the Village of Wabamun actively participated with Parkland County on a boat launch study for Lake Wabamun. The study resulted in a number of recommendations with the goal of improving lake access for residents of Parkland County, Village of Wabamun, and its bordering municipalities, along with visitors to the region. The most significant first step involves major upgrades to the Village of Wabamun's boat launch. Parkland County realizes the importance of this upgrade and will be an active partner in the project. Attached are copies of the approved February 9, 2016, Parkland County Council minutes including the resolution passed in support of your ACP Applications.

Parkland County has a long history in cost sharing with our municipal partners where there is value to our residents and this project will be no different. We wish you much success with the applications and look forward to moving ahead with the projects.

Sincerely,

Rob McGowan
Interim Chief Administrative Officer
