Announcements

UPDATE: 2016-17 Municipal Electronics and Paint Roundup Grant Program

The contact email address in the original form has been updated. There is a new form available. This grant from the Alberta Recycling Management Authority provides funding for municipalities to run a roundup event for the recycling of end-of-life (EOL) computer equipment, televisions, and leftover paint and empty paint containers from residents and businesses. The Program runs from April 1, 2016 – March 31, 2017.

CRTC reviewing next-generation 9-1-1 services

The Canadian Radio-television and Telecommunications Commission (CRTC) is announcing a public consultation on next-generation 9-1-1 (NG9-1-1) emergency services. NG 9-1-1 is a term used to describe more technologically advanced 9-1-1 services. Canadians are invited to submit their comments and be part of the proceeding.
