Subject: senior housing

Mr. Kortmeyer:

I am in full support of the FAWN MEADOWS DEVELOPMENT for the following reasons:

- 1) We are in great need of more senior housing
- 2) I like the idea of the country living
- 3) I like the idea of being able to live in the same development as my parents if I choose too.
- 4) I feel that this development will be a trail breaker for more country developments as it will be a dream place to live out the final days of ones life.

Thank you'
