

Drayton Valley RCMP Detachment

Parkland County Statistics

November 11, 2021 to April 1, 2022

Total of 47 Occurrences within the Parkland County area covered by the Drayton Valley RCMP-GRC

18 of these were traffic related – reports of erratic drivers, violation tickets, Traffic collisions.

12 Collisions were reported, 7 of which were attributed to animals, specifically deer hits.

2 reports received of possible impaired drivers. In both cases, the vehicles were located and drivers were not intoxicated.

5 Reports of Break and Enters – 1- to a locked yard – catalytic converter stolen

1 - to building – wood stove stolen

2 – break and enters to lease sites

1 - to residence, unfounded.

4 reports received involving disputes over custody and division of property

2 Calls were related to Mental Health Issues.

(RPACT team out of Rocky Mountain House covers a large area including Drayton Valley and was put into place in late February of 2022. We are still lobbying for a team out of Drayton valley as the Detachment has seen a 358% increase in mental health related calls. Talks are ongoing with both the RCMP and AHS)
