Parkland County, AB. T7Z 1R1

Attention: Beth James, Chief Administrative Officer

**RE: TERMINATION OF FIRE SERVICES AGREEMENT**

The current fire services agreement between Parkland County and Yellowhead County is 15 years old and does not reflect the current service or operations being provided to or received by the respective municipality.

Over the last number of years, Yellowhead County has tried to engage Parkland County in negotiating a revised fire services agreement; however it has never been received as a high priority for Parkland and therefore we never seem to be able to move this item forward.

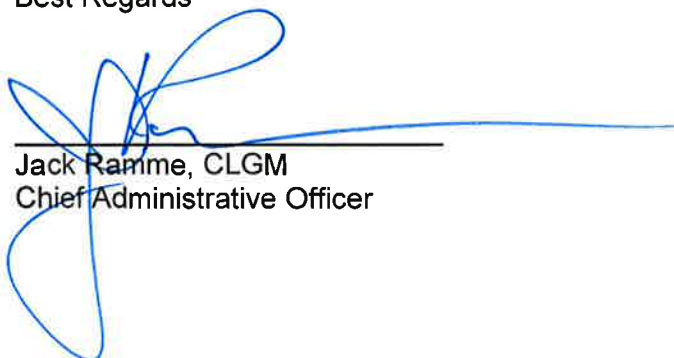

As the current agreement does not in any real terms cover the actual service being provided, Yellowhead County Council has approved giving Parkland County one (1) years notice of termination as per clause 21 of the agreement. Our intent is to have a new agreement in place forthwith and we can mutually agree to terminate this existing agreement prior to the one year notice period.

Should you have no desire to renew the Fire Services Agreement, please advise and we can perhaps mutually agree to move the termination date up. If the desire is to continue with some form of arrangement for Fire Services from Yellowhead County, please have your staff contact Director Albert Bahri at 780-723-4800 so we can begin drafting a revised, updated agreement.

Our desire is to have this initiative concluded before the end of April.

Should you have questions or concerns, please call.

Best Regards

Jack Ramme, CLGM  
Chief Administrative Officer
