ASSESSMENT ERRORS – REFUND OF TAXES		

Council Resolution	GMCS	CC	Cross Reference	Effective
No. 302-95 Date: July 25, 1995				July 25, 1995

Parkland County considers that existing legislation provides adequate protection to ratepayers from errors in assessment through the Assessment Review Board and the Municipal Government Board and, therefore, deems it unnecessary to cancel or refund taxes due to assessment errors.
