

Trails Strategy Plan Request for Proposal

This report provides background information and possible timelines regarding the Trails Strategy Plan Request for Proposal for Parkland County.

The Goal

The overall goal of the Strategy is to develop a plan guiding development of a countywide trail network in Parkland County that clearly outlines the direction and priorities for the next 20 years, with a more detailed focus on the next 5-10 years.

The Purpose

The purpose of this Request for Proposal is to obtain proposals from qualified consultants to conduct a review and develop Parkland County's Trails Strategy Plan.

This Plan will provide Parkland County with long term direction with regards to the provision of a systematic approach to trail development and creating an integrated trail network for County residents and visitors to the region.

Development of the Trails Strategy Plan

The four phases of the RFP include:

Phase One: Analysis and Review

Phase Two: Community Engagement

Phase Three: Key Findings, Strategic Directions and Recommendations

Phase Four: Finalized Trails Strategy Plan

Trails Strategy Plan - The Deliverable

The final plan will provide a complete inventory of all existing trails, potential staging areas, potential future trail linkages, identify gaps and include connectivity to potential future trails to create a trail network that encompasses all 6 Divisions of Parkland County.
