Hi Julia,

Since we are unable to attend the Council meeting tomorrow, please read the message below to the Council if you think it is appropriate during the Council meeting to indicate our support of the bylaw.

To the Mayor and Members Of Parkland County Council,

We had every intention to attend this meeting of Council but due to a medical concern requiring a procedure today, we are unable to attend.

We would like to extend our thanks to Mayor Allen Gamble for meeting with us almost a year ago, on February 22, 2024. Since then we have had excellent assistance and support through the County of Parkland administration to bring about this proposed Land Use Bylaw amendment. This amendment will facilitate us and our neighbors to achieve subdivision of our property. We are happy with the resulting amendment and are glad that it is supported by our neighbors.

Our family has owned this property since 1949 and continue to be committed to act as good stewards of the land and of Lake Wabamun, upon which we are situated. We retired to the property twenty years ago and look forward to many more.

Yours sincerely,

Larry and Catherine Duchesne
