

Featured Business of the Month

With more than 32 years of experience as a roofer, the owner of Can-Alta Roofing Ltd. established the business in 1998. What began as a home office has since grown into a trusted name in roofing. For more than 14 years, they have been the company to turn to for professional roofing services, including tar, green, gravel, 2ply systems, and single-ply roof repairs.

They specialize in the repair and installation of several types of roofs, including tar & gravel, shingles, 2 ply SBS, single ply membranes (e.g. TPO, EPDM, PVC) for both residential and commercial clients. Their trained tradesmen are all safety-conscious and protected by Workers' Compensation Board, are COR certified and are members in good standing with the Alberta Roofing Contractors Association (ARCA).

Our congratulations go out to ***Can-Alta Roofing Ltd.*** for being one of Parkland County's great businesses!

Alan Fraser, President, will be present June 18th to accept the award.
