AAMDC
2510 Sparrow Drive
Nisku, AB T9E 8N5

computer equipment, televisions, and leftover paint and empty paint containers from residents and businesses. The Program runs from April 1, 2016 – March 31, 2017. [Learn more...](#)

Reminders

Register Now to Attend Membrane Treatment of Wastewater - Online!

Membrane filtration is not a new concept, but it is a relatively new process in the wastewater industry. As the trend to water re-use grows, and water discharge regulations tighten, membrane filtration is acknowledged as a particularly effective process to achieve the required level of treatment.
