

Featured Business of the Month

Parkland County is pleased to announce that ***Cycle Works West***, located in Acheson, is this month's recipient of the **Featured Business of the Month**.

In 1980 Cycle Works began in a tiny service bay in Edmonton, with a passion for power sports and a desire to custom build what you could not buy.

Today, Cycle Works still brings that passion to its five stores. Fortunately, they are blessed with a line-up of manufacturer's who make machines that fulfill the wildest dreams so they no longer have to build them from the ground up themselves.

At Cycle Works West, located in Acheson, Zone 1, 26306 TWP 531A, they are riders too, so they know what it takes to get out there and have a great time. Their long-time staff have unparalleled knowledge and experience when it comes to unit sales, parts, accessories and service. Most of their staff have been Team Cycle Works members for 5+ years and some have celebrated their 30 year anniversary, just like the company!

Our congratulations go out to **Cycle Works West** for being one of Parkland County's great businesses!

Joe Zaik, General Manager will be present September 3rd to accept the award.
