**Re: Acquisition of Interest in S.W. 29-53-06-W5M**

Further to recent emails with Parkland County CAO Pat Vincent, please accept this letter as a formal request from Lac Ste. Anne County for authorization to acquire interest in lands within Parkland County, specifically, the S.W. 29-53-06-W5M.

The purpose of Lac Ste. Anne County's interest in the noted property is for the acquisition of aggregate materials over a period of ten (10) years. Lac Ste. Anne County proposes to enter into an agreement with the owner of this property and an encumbrance will be registered in favour of Lac Ste. Anne County against the title of these lands.

Pursuant to Section 72 of the Municipal Government Act, Lac Ste. Anne County requires written consent from Parkland County Council for the aforementioned acquisition of interest.

Lac Ste. Anne County has a very limited source of aggregate material in this immediate area of our County therefore we request Parkland County Council's favourable consideration of this request.

We thank Parkland County for their ongoing cooperation and support for other regional initiatives such as water, fire and roads, and look forward to a continued good working relationship.

Should you have any questions or concerns regarding this matter at and, please do not hesitate to contact me.

Sincerely,

Len Szybunka  
County Manager
