

## Featured Business of the Month

Parkland County is pleased to announce that ***Columbia Ice***, located in Zone 2 of the Acheson Industrial Area, is this month's recipient of the **Featured Business of the Month**.

***Columbia Ice*** is an Alberta owned ice Distribution Company that has been supplying packaged ice to Edmonton and surrounding area since 2002.

Early in 2012, ***Columbia Ice*** moved into their new factory in Acheson, AB, allowing them to scale production to meet the growing demand for ice in Alberta. The new factory also allows ***Columbia Ice*** to be more environmentally responsible by reducing the power consumption per pound of ice, and by being the first ice distributor in the region to use 100% biodegradable bags.

Our congratulations go out to ***Columbia Ice*** for being one of Parkland County's great businesses and this month's feature business.
