

2012 ROTARY 'RUN FOR LIFE

March 16, 2012

Mr. Rod Shaigec, Mayor
Parkland County
Parkland County, Alberta

Your Worship Mayor Shaigec and Councillors:

The Rotary Run for Life is embarking on it's 9th Annual Run/Walk in aid of Suicide Prevention and Awareness. Thank you for joining the three other municipalities (Town of Stony Plain, City of Spruce Grove and Village of Wabamun) in sponsoring the Run.

Our Request falls into three categories:

1. Financial – consisting of \$1,500 Cash and \$1,000 Gifts in Kind.
The Gifts in Kind consist of:
 - advertising the Run in the Parkland County section of the Reporter/Examiner – three times
 - declaring Suicide Prevention week in September
 - providing promotional items for the Pledge baskets awarded to the runners with the highest pledges.
2. A short power-point presentation of our Run to council members at one of your Council meetings by myself and a suicide prevention worker followed by a question period.
3. We invite you and your Council along with other celebrities to assist in serving the Run breakfast to runners and volunteers on Sunday, September 9.

Our request is similar to the commitment you made in 2011. Thank you for your consideration.

Sincerely,

Bob Enders, Treasurer – RRFL
