Subject: **Partridge Place Land Use Petition Report**

Committee of the Whole received the Partridge Place Land Use Petition at their November 1, 2016 regular meeting. I have reviewed the petition and determined the petition is insufficient pursuant to Section 226 of the *Municipal Government Act (MGA) of Alberta*.

The petition is insufficient due to deficiencies in the following areas:

Section	Requirement	Deficiency
223	Signed by 10% of the population (30,568)	Only 26 electors out of the 3,057 electors required signed the petition
224(2)(a)	Printed surname and given names or initials	Printed names did not include complete given names or initials
224(3)(b)	Witness affidavit filed with petition stating petitioners were eligible to sign	No witness affidavit was filed with the petition
224(4)	Petition representative statement filed with the petition	No petition representative statement was filed with the petition.

Section 226 of the *MGA* compels the Chief Administrative Officer to make a report to Council within 30 days on the sufficiency/insufficiency of a petition. To comply with legislation I would recommend your report be communicated to Council at their November 22, 2016 regular meeting.
