The land is the tie that binds us and it shows. We're innovative and responsible land stewards. We're progressive enablers of economic prosperity. We strive to ensure land use planning and policies and development bring together and respect the distinctiveness of urban and rural populations. In our efforts, we are, at our core, a reflection of strong rural values.

And our MISSION:

Parkland County will be the rural community of choice for its progressive and strategic governance efforts to create one of the most competitive business environments in Alberta, and enhance the lives of our residents in pursuit of quality of life.
