Transit Service

Council Direction 2014

- Council directed Administration to:
 - Prepare a detailed transit plan and a draft agreement with the City of Spruce Grove to implement a transit service for the Acheson Industrial Area
 - Prepare a transportation public utility bylaw to pay for the cost of providing that service

Transit Service

Policy

December 8, 2015

Transit Policy

- Applies to public transportation in Acheson Industrial Area
- Describes how service delivery costs will be recovered
- Assigns areas of responsibility
 - Council: sets fares and service levels
 - Administration: determines bus stop locations and amenities
