PROGRAM STATEMENT INSTRUCTION PAGE

Project Title	Entryway Addition & Renovation
Introduction	Over the years, Magnolia Hall has completed various upgrades to the hall to create a better layout for the building. One of these improvements was to relocate the main entrance to the North West side of the building. At the time they were not able to complete any additional improvements to the entrance way and have found a few deficiencies; the most prominent being the weather entering into the hall when the door is opened and the lack of space to cater the larger functions. The board has worked to save money from year to year in an effort to be able to upgrade the entrance way to make it more energy efficient and to increase the efficiency of the kitchen area.
The Project	<p>Part 1: Build an enclosed breezeway. A 20' x 40' addition would be added on to enclose the front entrance, creating a thermal break from the main building and would a cloak room.</p> <p>Part 2: Renovation the current front entrance. The existing cloakroom would be turned into a pantry, the current pantry would be turned into an office space and seasonal storage and the bar area will receive an upgrade to make it more efficient.</p>
The Project Justification	<p>This project will address a few health and safety concerns and improve the energy efficiency of the hall.</p> <p>Health and Safety concerns being addressed</p> <ul style="list-style-type: none"> - Reduced maintenance for the volunteers especially during the winter months with the snow accumulation at the door - Remove the current sidewalk which in its current condition is a trip hazard - Reduce the likelihood of injuries in the pantry and bar area by improving the ergonomics
Program Requirements	<p>Phase 1: Install a concrete slab as the foundation of the entryway addition</p> <p>Phase 2: Build the entry way addition</p> <p>Phase 3: Renovate the entry way (Bar, Pantry, Office)</p>
Site Factors/ Considerations	An engineer study has been conducted and is attached to this application outlying no major cause for concern in the installation of the slab in the current location
Financial Resources	<p>Magnolia Community Association has committed \$14,000 in addition in in kind donations of labor</p> <p>Once approval from Parkland County is received matching funds will be applied for through CFEP</p>
Approvals Required	<p>Permits – Building electrical, plumbing will be required. The project coordinators met on site with the building inspector and no know issues with the proposed project where identified. Permits will be applied for once funding sources are secured.</p> <p>Permission from Parkland County as the lease holder.</p>
Implementation Responsibilities	<p>Breezeway Project – Christine Giezen</p> <p>Entry way Renovation - Sherill Thompson</p>

Proposed Schedule	<i>When is this project expected to begin and be completed? Are there any phases being proposed?</i> Part 1 & 2 by October 2015 Part 3 by December 2015
Sustainability Plan	<i>Outline a business , operating and/ or maintenance plan</i> No additional plan is required it will be rolled into our current building
Committee Members	Magnolia Board of Directors
List of Attachments	<ul style="list-style-type: none"> - Elevation Drawings for Addition - Drawing for Entry renovation - Engineers report - Quotes for the projects

- E Materials donated at fair market value

Monthly Meeting of the Board – Tuesday, Sept 02, 2014

In attendance : Charles Thompson , Gene Campbell, Sib Peden, Christine Giezen, Pat Ruttle, Sherrill Thompson, Esten Christensen, Wanda Hunter

Minutes

- 1. CALL TO ORDER – 7:40 PM**
- 2. ADDITIONS OR DELETIONS TO THE AGENDA – *None presented***
- 3. APPROVAL OF THE AGENDA – *Moved by Gene/Seconded by Sherrill. Carried.***
- 4. APPROVAL OF THE MINUTES OF THE LAST MONTHLY MEETING - Aug 05, 2014 – 6(a) kitchen handles not installed - *Moved by Pat/seconded by Sib minutes be adopted as amended. Carried.***
- 5. FINANCIAL REPORT & OTHER RELATED TO TREASURER –**
 - a. Treasurer's Report as per email – *Moved by Pat, seconded by Gene that report be accepted as presented. Carried.*
 - b. Report on how the Ball Tournament went financially - *Info included in Chris' Financial Statement.*
 - c. Rental Package changes / Re table rentals - wording to be added to Rental Agreement - *Moved by Gene, seconded by Sib that we don't rent out the new plastic tables and the refurbished wood tables, charge to be \$5.00 per table for the wooden tables, and no charges for the older wooden tables, if renter gets the tables themselves. Amendment to agreement: \$2.00 per chair for the old brown chairs.*
- 6. MAINTENANCE – Old and new business**
 - a. Shed door handle has been repaired /Two kitchen handles have not been installed -

Charles will install the kitchen handles.

- b. Water pressure system - anything else to be done - update /Down spout - update -- *leak has been fixed.*
- c. Hand railing sand-blasted and painted by Don and Sib - Aug 30
- d. Lawn mown around the hall by Sib - Carpet cleaned by Sib - Aug 30
- e. Leak at the hall repaired Aug 13 - Details from Charlie - *new valve installed, leak fixed.*

7. OLD BUSINESS REPORT

- a. Additional Rental Contract details
- b. Flooring issue still outstanding - consider possible solutions for a later discussion.
- c. Progress on monitor - Report from Gene - *Elmer to decide.*
- d. Re Elmer to potentially take over the music leadership at the Jamborees - Any other information on this? - *No further info*
- e. Ball Tournament - 2014 -
 - 1) Report from Esten / suggestions for next year - *Went very well - 6 teams participated*
 - 2) Report from Pat / Chris - How the concession went / suggestions for next year - *Suggested we go through the grocery list and update.*
- f. Breezeway Project - with Suzanne Merrill Aug 20 - Funding approval / Discussion - *We are able to apply for a multiplier grant - for every dollar we put in the county will match with \$3.00. We need to come up with an amount that we are willing to spend on the project and present it in writing to the building inspector. Moved by Esten, seconded by Sherrill that we allot \$12,000 on the breezeway project. Carried.*
- g. Multi-room Switch Project - Sherrill will draw up a plan for organization and will present it at the next meeting.
- h. *Moved by Sherrill, seconded by Chris we dispose of all the old black chairs at the dump.*

8. NEW COMMUNICATIONS FROM OUTSIDE THE BOARD SINCE LAST BOARD MEETING

- a. None
- b.

9. NEW BUSINESS – SUBMITTED FOR DISCUSSION

- a. Discussion re our land across the road - *County has a caveat on the land and it cannot be*

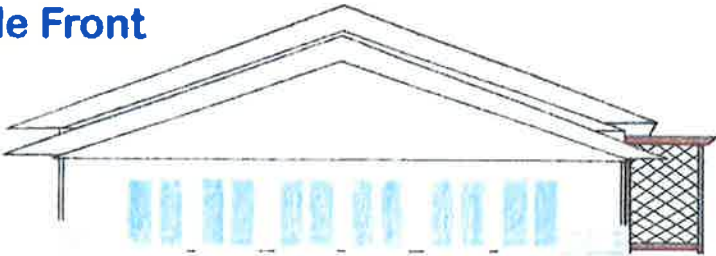

sold.

- b. Discussion re increase of Jamboree admittance to \$8.00 per person for 2014 / 2015 - *Gene will enquire what other Jamboree venues are doing before deciding.*
- c. Confirm if we are going to have Open House in September - *No*
- d. Confirm if we are going to have a Harvest Supper in October - *Moved by Chris, seconded by Sherrill that we hold the Harvest Supper on Sunday, September 28 in a similar manner as previous suppers. Carried.*
- e. "Building Corporation Relationships - a Tool Kit for Non Profits" - received from Parkland County - Discussion - *Chris to give to Sherrill*
- f. Fall Community Development Workshop Series / Discussion
- g. Website - Questions about what forms re rental agreement should go on the Rental Information page on the website - discussion

10. ADJOURNMENT- *Moved by Sib that meeting be adjourned at 9:10 PM.*

The pro-bin kit from Proslat gets you started with this baker's dozen of popular items. Often considered the most versatile items in any storage solution, Proslat's pro-bins were designed with a high load-bearing capacity despite their lightweight construction. Pro bins will blend into any design you create. Easy to clean and hang, these bins were designed with your safety in mind with their rounded corners and protected edges.

Features:

- High-load bearing capacity
- Lightweight plastic construction
- Rounded corners and protected edges
- Easy to clean
- Easy to hang
- A versatile hanging solution
- Pro-bin kit includes: 10 small pro-bins; 5 large pro-bins; 2 deep ProBins and 1 extra large pro-bin

Model: Probin Kit

- Brand: Proslat
- Case Count: 16
- Colour: Black
- Material: Plastic

Product Details Specifications Shipping & Terms Returns/Warranty Reviews (7)

The Proslat Ultimate Storage Bundle is a supreme bargain. Less expensive than if you bought it all individually, this bundle is a great way to organize any garage, mud room or anywhere in need of a good clean up.

A Proslat wall solution begins with Proslat's patented PVC wall panels. Made in Canada from 90% recycled materials, makes this one of the greenest storage solution on the market. The Proslat wall system is also one of the most versatile, as individual panels may be installed as a track, in a section or over an entire wall. Installation is simple and the unique hidden screw design gives a professional finish. Built to last, our wall panels are up to 25 times more impact resistant than drywall and they hold up to 34 kg (75 lb.) per square foot. Panels are not affected by mold, mildew or water so they can be used in damp locations where drywall and wood might absorb the humidity.

Features:

- Made in Canada
- 2-in. mounting screws and all trims included
- Heavy-duty solid PVC wall panels made from 90% recycled materials
- Crisp, clean, permanent white finish
- Can be installed directly to studs or drywall.
- Patented hidden-screw design for a professional, finished look
- Holds up to 34 kg (75 lb.) per square foot
- Impact resistant
- Rugged, interlocking panels - not affected by mold, mildew, or water
- Wall trims designed for a sleek finish, an exact fit and color match
- Can run wires behind the panels to give a clean look

Bundle Includes:

- 2 boxes of 8 ft. x 4 ft wall panels
- Hook kit (consisting of: 12 - 10.2 cm (4-in.) hooks, 2 - double 20.3 cm (8-in.) hooks, 2 - double 10.2 cm (4-in.) hooks, 2 - super-duty hooks, 2 - heavy-duty U hooks)
- Shelf and basket kit (consists of: 3 - 30.5 cm x 61 cm (12 in. x 24 in.) metal shelf and 2 - 30.5 cm x 20.3 cm (12 in. x 8 in.) metal baskets)

Warranty:

- For as long as the original purchaser owns the product

HJUVIK

Kitchen faucet with handspray, stainless steel color

\$199.00

The price reflects selected options

Article Number : 102.578.96

10-year Limited Warranty. Read about the terms in the Limited Warranty brochure. Washing and rinsing are easier thanks to the detachable hand sprayer. The faucet functions two ways, so you can switch between a concentrated stream and hand shower just by pushing the buttons on the handle. You save water and energy, because the faucet has a mechanism that reduces water flow while maintaining pressure. The mixer tap insert has hard, durable ceramic discs that can handle the high friction that occurs when you change the temperature of the water. Equipped with check valve to prevent back flow.
