

Subject: Tax Statement for [REDACTED]

As discussed,

Here is my tax statement showing the interest charges as if my tax bill was \$2035.18. I successfully appealed my tax bill and filed the appeal before April 1, 2019. That appeal cost me \$50.00 which was the amount my tax bill should have been!

I am asking the honourable council of Parkland County to reverse my interest charged and paid. I would be please to pay the interest on the \$50.20 my tax bill was appealed to.

If you would waive all interest in lieu of the \$50.00 tax appeal amount paid, that would be much appreciated. That amount was paid back to me this year without any interest!

yours truly,
