

## Featured Business of the Month

Custom Landtran Carriers Inc. provides heavy haul and specialized transportation services spanning North America. As a member of the Landtran Group of Companies, they have a network of strong resources at their disposal to help them tackle the most demanding transportation projects.

Their diverse fleet of shipping equipment enables them to meet regional regulations in any jurisdiction across North America. Through their network of sister companies, they also have access to a range of specialty over-the-road equipment. Having these resources at their disposal helps them to reach their goal of providing the best service possible to their customers.

Their goal is to live up to their name by providing service that is truly customized to the needs of their customers, no matter how difficult or unusual the job.

Thanks to ***Custom Landtran Carriers Inc.*** for being one of Parkland County's great businesses!
