

Featured Business of the Month

Parkland County is pleased to announce that *Useful Things in Parkland County*, located in Division 5 of Parkland County is this month's featured business.

Started in February 2012, Useful Things in Parkland County continues to bring their customers an ever expanding variety of treasures, antiques and reusable items for purchase. The store's eclectic collection has everything from the whimsical to old fashioned practical, in all shapes & sizes, from new to antique.

Useful Thing's collection evolves weekly, bringing customers antique & vintage furniture, primitives, collectables, and many other items for everyday use (you might even find the proverbial "kitchen sink"). Come and check out what they have to offer today!

Our congratulations go out to *Useful Things in Parkland County* for being one of Parkland County's great businesses and this month's feature business.

For more information about Useful Things in Parkland County, you can check out their website at www.usefulthingsinparklandcounty.ca, or call (780)962-8713.

Owners Laurie and Jacqueline Bisanz will be attending the March 3rd GPC meeting to accept the certificate.
