

## COUNCIL NOTICE OF MOTION

**Date of Meeting:** October 11, 2016  
**To:** Council  
**From:** Councillor Jackie McCuaig  
**Re:** **NOTICE OF MOTION regarding Expansion of Capital Region Board Mandate**

---

Take notice that at a Special Meeting of Council on October \_\_\_\_\_, 2016, Councillor Jackie McCuaig will MOVE:

“THAT Council support a resolution to the October 17<sup>th</sup> Pembina River Zone meeting stating that if the Capital Region Board mandate is expanded to make various decisions, individual Councillors will no longer be able to effectively represent their residents.”

### Information Supporting the Notice of Motion

Parkland County attended the 2016 Alberta Urban Municipalities Association Convention in October of 2016 and was made aware that the Capital Region Board is planning to expand their mandate to include various decisions that are presently made by local elected officials.

Parkland County considers any expansion of the Capital Region Boards mandate beyond land use planning decisions becomes governance that intercedes with the governance of local elected officials and their roles.
