We honour the land on which we stand as Treaty 6 territory. This is sacred land to many First Nation, Métis and Inuit, and in particular our neighbours, Paul First Nation, Enoch Cree Nation, Alexis Nakota Sioux Nation, Alexander Cree Nation, Friends of Michel Society advocating for the Descendants of the former Michel Band and our friends of the Métis Nation. We recognize and acknowledge Indigenous values, traditional teachings, ways of being, contributions and historical inequalities. We commit towards strengthening relations and building bridges with our neighbouring Indigenous communities. We all prosper together.
