

Featured Business of the Month

Parkland County is pleased to announce that ***Hayworth Equipment Sales***, located in the Acheson Industrial Area, is this month's featured business.

Hayworth Equipment Sales is a third-generation family owned and operated heavy truck and trailer dealership, celebrating its 40th anniversary this year. When husband and wife team Elmer and Doreen Schmidek opened Hayworth's doors on April 1, 1975, they made every effort to create a unique, personalized service. Forty years later, Hayworth takes pride in offering the same personalized solutions for their customers.

Hayworth has a well-stocked yard of both new and used truck and trailers with finance and leasing options, a full retail parts department, a rental fleet and a complete service department focusing on trailers of all kinds, as well as trucks.

Our congratulations go out to ***Hayworth Equipment Sales*** for achieving 40 years of continued success!

For more information about Hayworth Equipment Sales, you can check out their website at www.hayworthequipment.com or call 780-962-9100.

The following individuals from Hayworth Equipment Sales will be attending the May 5th GPC meeting to receive the certificate:

Doreen Schmidek - President
Cathy Dool – Business and Sales Development
Kaitlyn Schmidek - Marketing Coordinator
