

**BYLAW NO. 2015-13
PARKLAND COUNTY**

**BEING A BYLAW OF PARKLAND COUNTY FOR THE PURPOSE OF
AMENDING LAND USE BYLAW NO. 20-2009**

WHEREAS the Council of Parkland County has passed a Bylaw pursuant to Part 17, Section 639 of the Municipal Government Act, R.S.A. 2000, Chapter M-26, known as the Parkland County Land Use Bylaw No. 20-2009 for the purpose of regulating and controlling the use and development of land and buildings within Parkland County;

WHEREAS and pursuant to Part 17, Section 692 of the Municipal Government Act, R.S.A. 2000, Chapter M-26, the Council of a municipality is authorized to amend a Land Use Bylaw;

WHEREAS Section 692 of the Municipal Government Act requires the Council of a municipality to hold a public hearing and advertise such a Bylaw in accordance with Sections 230 and Section 606 of the Act respectively;

WHEREAS this bylaw is advertised in accordance with Section 606 of the Municipal Government Act, and a public hearing is held in accordance with Section 230 of the Municipal Government Act; and

NOW THEREFORE the Council of Parkland County duly assembled and under the authority of the Municipal Government Act, as amended, hereby enacts the following:

THAT LAND USE BYLAW NO. 20-2009, AND AMENDMENTS THERETO, IS AMENDED AS FOLLOWS:

1. By adding the following:

- Recreational vehicle use may be allowed for temporary living accommodation purposes on a vacant residential property during the construction of a dwelling. Prior to the recreational vehicle being placed on the property the land owner shall obtain development permit approval for the temporary use and obtain development permit and building permit approval for the dwelling.
- As a condition of approval for the temporary recreational vehicle use, the Development Authority shall require the posting of security in the form of an irrevocable letter of credit or cash to be provided to the County.
- Recreational Vehicle use on a vacant residential lot (without a development permit for a dwelling) shall be time limited to a maximum of 14 days. The Recreational Vehicle shall not be skirted or have any decks or structures attached to it. The Recreational Vehicle shall not be hooked up to power or sewer.

The above wording shall be added to the following districts:

Country Residential District – 5.1.5.e, 5.1.5.f and 5.1.5.g

- c) the Development Authority may require written notification to all registered owners within an 800 m radius of a proposed development if in their opinion it is a major development.

8. Section 20.1 - Definitions

By deleting the strikethrough text and inserting the bold text as follows:

ACCESSORY BUILDING means a building incidental and subordinate to the principal residential use which in no instance shall be used as a dwelling. A structure in the form of a single wide manufactured home, double wide manufactured home, modular home or any pre-fabricated building self contained unit, or any similar trailer, for the purpose of this Bylaw, is not considered an Accessory Building. A shipping container shall be considered and calculated as an accessory building.

DWELLING, SINGLE DETACHED means a residential building containing one dwelling unit with or without an attached garage and/or attached carport and is intended as a permanent dwelling. Modular homes, double wide manufactured homes and a dwelling constructed onsite are all considered single detached dwellings, which has a minimum floor area for a bungalow, split-level of 70.0 m² (753.5 ft²) and for a two storey of

BYLAW NO. 2015-13
AMENDING LAND USE BYLAW NO. 20-2009

93.0 m² (1,001.0 ft²). All single detached dwellings constructed outside the Province of Alberta must meet the standards of the *Alberta Safety Codes Act*.

LANDSCAPING means to preserve or change the natural features of a site by adding topsoil of no more than six (6) inches in depth, lawns, trees, shrubs, ornamental plantings, fencing, walks, driveways, residential, commercial and industrial lighting (luminary replacements) or other structures and materials as used in landscape architecture.

SECONDARY SUITE means an additional dwelling unit located within a single detached dwelling, within an accessory structure that is located on a residential or agricultural parcel or a dwelling unit separate from any other dwellings. It must have its own independent heating system, entrance, kitchen, bathroom and living quarters. This use does not include boarding and lodging houses.

- a) a secondary suite that is a dwelling unit separate from any other dwelling or accessory building shall not be permitted on parcels less than 0.8 ha (2.0 ac).
- b) a secondary suite with attached accessory building shall not exceed the floor area of the principal dwelling.
- c) a secondary suite shall be calculated as part of the maximum accessory building area indicated in Table 11.1-1.

TOURIST CAMPGROUND, DESTINATION means development of land which has been planned and improved for the seasonal use of holiday trailers, motor homes, tents, cottages, campers and similar recreational vehicles, and is not used as accommodation for residential use.

By deleting the following:

COMMERCIAL VEHICLE means a vehicle operated by or on behalf of a person for the purpose of providing transportation or the carriage of passengers or of goods in respect of a person's business, work or employment. This does not include a private passenger vehicle used solely for personal transportation and the carriage of goods intended for the use or enjoyment of the owner of the vehicle or members of the owner's household.

EXCAVATION means any breaking of ground, except common household gardening and ground care.

HOME BASED BUSINESS LEVEL 1 means an office within the residential dwelling for a person who occupies the dwelling. It does not include the visiting of clients to the site, parking of commercial vehicles, any outside storage, or any employees except the resident and the resident's family who permanently reside in the dwelling. The use is entirely contained within the dwelling and has no external impact on the neighbourhood. Typical uses include self-employed persons providing professional and office support services.

HOME BASED BUSINESS LEVEL 2 means an occupation, trade or craft for gain or support, conducted within the residential dwelling or its accessory buildings. It may include some client visits and the parking of one commercial vehicle and may not include on-site employees except the resident and the resident's family who permanently reside in the dwelling. Typical uses include massage therapy, spa/esthetics services, dog grooming, landscaping/snow removal, dressmaking, hairdressing, home crafts and handicrafts, picture framing, delivery services, mobile food vendors or caterers, individual instruction to students, off-site mobile repairs and installation, janitorial services, mobile entertainment services and the carrying out of minor household appliance repair and automotive repair (does not include autobody repair).

HOME BASED BUSINESS LEVEL 3 means trade or craft for gain or support conducted within the residential dwelling and/or accessory building and includes all home based businesses not considered Home Based Businesses, Level 1 or Level 2. It may include up to four (4) on-site employees in addition to the resident and the resident's family who permanently reside in the dwelling. Typical uses include contractor services, parking of commercial vehicles in excess of Home Based Business Level 2, automotive and autobody repair and on-site fabrication. This use class does not include more intensive Industrial type of uses that present exterior impacts such as noise, smoke, steam, odour, dust, fumes, exhaust, vibration, heat, glare, refuse matter, and storage of hazard or combustible materials which should be located in an industrial district.

BYLAW NO. 2015-13
AMENDING LAND USE BYLAW NO. 20-2009

NATURAL RESOURCE EXTRACTION / PROCESSING means development for the removal, extraction and primary processing of raw materials. Typical resources and raw materials would include oil and gas, peat, sand, silt and gravel, shale, clay, marl, limestone, gypsum other minerals precious or semi-precious, timber and coal. Typical facilities or uses would include gravel pits (and associated crushing operations), asphaltic processing, sand pits, clay or marl pits, peat extraction, stripping of topsoil, sawmills and related timber/wood processing.

By inserting the following:

COTTAGES means a development of a parcel consisting of a group of recreational cottages, cabins and yurts providing self-contained living quarters for the purpose of temporary accommodation, but does not include summer homes. The maximum square footage for a cottage, cabin or yurts shall not exceed 37.16 m² (400 ft²).

EXCAVATION means the removal of earthen materials for the purpose of leveling lands or the digging of a hole or cavity for the purpose of a dugout or pond not exempt in Section 16.2.

HOME BASED BUSINESS LEVEL 1 means a secondary use of a principal dwelling and/or accessory building(s) by a permanent resident of the dwelling to conduct a business activity which does not change the residential character of the dwelling and/or accessory building(s). The use is limited to a home office only and has no external impact on adjacent residential dwellings.

HOME BASED BUSINESS LEVEL 2 means the secondary use of a principal dwelling and/or accessory building(s) by a permanent resident of the dwelling to conduct a business activity which does not change the residential character of the dwelling and/or accessory building(s). Typical uses are trade contractor businesses and personal and health care services which do not exhibit outdoor activity and storage of materials and/or equipment. The maximum number of permitted vehicles is two (2) up to a capacity of one-ton Gross Vehicle Weight (GVW) and trailer carrying a small backhoe, skid steer, or similar machinery. This use allows client visits to the property but does not allow any non-resident on-site employees.

HOME BASED BUSINESS LEVEL 3 means a secondary use of a principal dwelling, accessory building(s) and site, or a combination thereof, by the permanent residents of the dwelling to conduct a business. It may include up to four (4) non-resident on-site employees. The business may include some outdoor activity, client visits and a maximum of six (6) commercial vehicles. With the exception of the CRWL – Country Residential Work/Live District, a home based business level 3 is neither permitted nor discretionary within a multi-parcel residential subdivision (excluding rural centres) or row housing development and/or if the location of the development is within 152.4 m (500.0 ft) of a multi-parcel residential subdivision (excluding rural centres) or row housing development.

NATURAL RESOURCE EXTRACTION/PROCESSING means the extraction of natural resources, including, but not limited to, minerals, sand, gravel, coal, peat, limestone, gypsum, granite and salt found on or under the site, or accessible from the site. Processing may include crushing, washing, screening and the preparation of asphalt.

NON-RESIDENT ONSITE EMPLOYEE means any person employed by the resident operator of a home business who normally works on the site of the home business as part of their employment. Employees who work offsite shall not be considered a “non-resident onsite employee”.
