Draft AAMDC Municipal Agriculture Disaster Declaration Guide Now Available

The AAMDC has worked with Alberta Agriculture and Forestry and the Agriculture Financial Services Corporation (AFSC) to develop a *Draft Municipal Agriculture Disaster Declaration Guide*. The draft guide is intended to promote a consistent mechanism for data collection and monitoring to support municipal decision making and to guide the communications process when considering agricultural disaster declarations.

University of Alberta Faculty of Extension Course: Rural Wastewater Management

Water is the basic element of life and worthy of our protection as a vital resource. Explore how proper wastewater management ensures environmental protection as well as its impact on land use planning, health, and public safety. Through an understanding of the legislative framework that governs rural wastewater systems, we will explore the processes, permits and the

Reminders

PROVIDE YOUR INPUT: Complete the AAMDC MGA Survey

The AAMDC has finished its member consultation tour of the province and wants to provide an additional outlet to collect member input on the proposed Bill 21:

Modernized Municipal Government Act. The AAMDC MGA Survey is now available online.

Alberta Motor Vehicle Industry Council

The AMVIC enforces the laws that are in place to protect automotive consumers. All automotive businesses in the province including sales, service/repair, wholesale etc. must legally be licensed by AMVIC. Businesses must meet several requirements before they are issued a licence, including proof of municipal approval.
