Northbound Spruce Valley Road, South of Hwy 16A

## Northbound Bevington Road, North of Hwy 16A

An aerial photograph showing a multi-lane road under construction. The road surface is dark asphalt with white lane markings. To the left of the road is a large area of brown, disturbed earth. To the right is a field of dry, brown grass. In the background, there are trees, some buildings, and a tall tower. A yellow line with a red rectangle highlights a specific location on the road.
