PURPOSE

The purpose of this policy is to provide immediate and appropriate assistance to an injured employee, as well as to establish a safe, rapid return of occupationally injured/ill employees to transitional or regular employment.

POLICY STATEMENT

Parkland County is committed to disability prevention, supporting and assisting employees returning to work as soon as possible following an occupational or non-occupational injury or illness. Where a collective agreement varies from the provisions of this policy, the collective agreement reference prevails.

DEFINITIONS

1. "Primary disability prevention" means actions aimed at preventing, minimizing, reducing or delaying illness, accident and disability.
2. "Secondary disability prevention" means actions aimed at reducing the amount of time off work after illness or injury and at preventing chronic problems.
3. "Tertiary disability prevention" means actions aimed to assist with chronic problems after illness/injury and maintain an appropriate employment situation.
4. "Transitional duty" means a modified work responsibility provided to the employee to assist the employee's progression to full work capacity.

SCOPE

Compliance with this policy to support disability management is expected from council members, Chief Administrative Officer, general managers, managers, supervisors, employees and volunteer fire fighters.

RESPONSIBILITIES

Council:

- Support and promote disability management.

Chief Administrative Officer:

- Provide all necessary resources for the promotion of disability management.

General Managers, Managers and Supervisors:

- Provide employees with the information, training, procedures and support pertaining to disability management.

Employees and Volunteer Fire fighters:

- To actively participate in disability management.

RESPONSIBILITY

The Safety Services Coordinator and Manager of Legislation and Administrative Services Department are responsible to monitor and review the policy.
