

WHEEL OF FORTUNE
A GAME
OPERATING INSTRUCTIONS
1. The wheel is divided into 20 equal segments. 10 segments are colored red and 10 are colored blue. 2. The wheel is spun and the ball is allowed to fall into one of the segments. 3. If the ball falls into a red segment, the player wins \$1.00. If the ball falls into a blue segment, the player wins \$0.50. 4. The game is played for a fee of \$2.00 per person. 5. The game is open from 10:00 AM to 6:00 PM. 6. The game is located on the beach near the lifeguard stand.
