

Topic: Karlsson Sand and Gravel / I505658 AB Ltd – Appeal hearing of suspension of Haul Agreement 2012-H-23 for one day administrative penalty – truck movement before approved or designated haul periods.

Introduction:

In Parkland County a gravel company is required to have a Development Permit to extract aggregate. One of the Development Permit conditions requires the aggregate company to obtain a Haul Agreement from Public Works. Haul Agreements regulate hours of hauling, traffic safety monitoring, dust control, road maintenance, etc. Enforcement Services monitors the Haul Agreements, investigates alleged breaches of this document and imposes the administrative penalties.

Facts (Background Information):

Karlsson Sand and Gravel/I505658 AB Ltd was issued with Haul Agreement 2012-H-23 by Public Works. A copy is attached. On Saturday October 20, 2012 Enforcement Services conducted a proactive patrol on Range Road 44 south of highway 627 at 0655 hours and observed two trucks travelling south to the Karlsson Pit.

- One truck ASGA # 6354 and a second truck no ASGA number were observed and stopped at 0655 hours
- The start of haul hours is 0800 hours
- The trucks are permitted on the road 30 minutes prior to 0800
- When stopped, they were 35 minutes prior to the authorized time
- A one day suspension was issued to Karlsson Sand and Gravel/I505658 AB Ltd

Analysis:

The following one day suspension is being appealed by Karlsson Sand and Gravel/I505658 AB Ltd

- October 20, 2012 – Truck movement before approved or designated haul periods.

Alternatives:

1. Council direct Administration to re-draft the administrative penalties to be less harsh
2. Council direct Administrative to re-draft the administrative penalties to be more harsh

Conclusion/Summary:

Administration supports the one day suspension as per Haul Agreement 2012-H-23.
