Subject: 2015 Capital Cost Share Request

Good afternoon Lenny. Further to your telephone message below is additional detail on our 2015 Capital Cost Share request:

- Ice Plant Roof: This is simply a scheduled lifecycle upgrade of a small section of the Agrena roof. A Four-Ply Built-Up Roof System will be applied and is identical to that which was used on the Stu Barnes a few years ago. The warranty period is for fifteen (15) years. Pre-tender cost estimate: \$20,000
- Stu Barnes Interior Lighting: Remove existing metal halide lighting system and replace with T-5 High-Output Fluorescent Lighting System complete with Electrical Engineering & Design. Pre-tender estimate: \$75,000.

If you require anything further let me know Lenny.
