

Amendments to Carvel Beautification:

I have been asked to add the following to the Expression of Interest from the Carvel Beautification Committee:

- 3 Flag Poles located at the Community Hall for the Alberta Flag, Ukrainian Flag, and Canadian Flags.
- A Community Sign and 4 planters at this sign. This community sign is not intended to be a changeable copy sign, it is intended to be a welcome sign only for residents, to improve community pride, and for tourists, to respect that they are entering a community and feel welcome.
