

## Featured Business of the Month

Established in 1995, TSI Insulation Ltd. has been successfully completing small and large Industrial Insulation projects throughout Western Canada. They have served clients in a wide range of industrial and commercial services in the petrochemical, petroleum, asphalt, heavy industrial and agricultural industries.

TSI Insulation Ltd. is committed to the needs for workmanship of the highest quality, completion of projects within schedule, and the practice of cost-effective construction, contracting and management techniques. The strength of this commitment is based upon experienced personnel and their proven system, all of which are directed through sound business practices.

At TSI they stress teamwork and strive to maintain safe working conditions and encourage this approach to solicit input from all their employees to improve their performance.

Our congratulations go out to ***TSI Insulation Ltd.*** for being one of Parkland County's great businesses!

**Elzbieta Dyjak, President, will be present March 4<sup>th</sup> to accept the award.**
