

CITY SLICKERS

City Slickers is:

- Urban children
- Visiting a working farm
- Experiencing where food comes from
- Pre- and post event classroom instruction
- Supported by agricultural industry, commodity groups and producers
- Expanding to 6 Alberta communities in 2013, in addition to Parkland County

Ag for Life

Organic Master Gardener

The Multicultural Heritage Centre's Organic Master Gardener Program was the first of its kind in Alberta and offers instruction for adults in organic gardening and landscape/land-use techniques.

Little Green Thumbs

- Currently in development
- In-classroom growing program
