Dear Mayor and Council;

The Wabamun & District Museum would like to request a member of Parkland County council be appointed to our Board.

We believe that this appointment will benefit both parties. The Museum will benefit by gaining insight into the goals and objectives of the County and the County will gain insight into the workings of the Museum. This partnership will preserve the proud history of Wabamun area and help keep the Museum operations sustainable. This arrangement will also provide opportunities to provide programs and events that will increase visitors and expand the awareness of the Museum. An increase in visitors will also benefit the economic development of the community.

We look forward to an enriched relationship with Parkland County as we work together to create a bright future for the Wabamun area.

Thank you.

Yours truly
