

# The Nature Conservancy of Canada

Update on Bunchberry Meadows and Parkland County

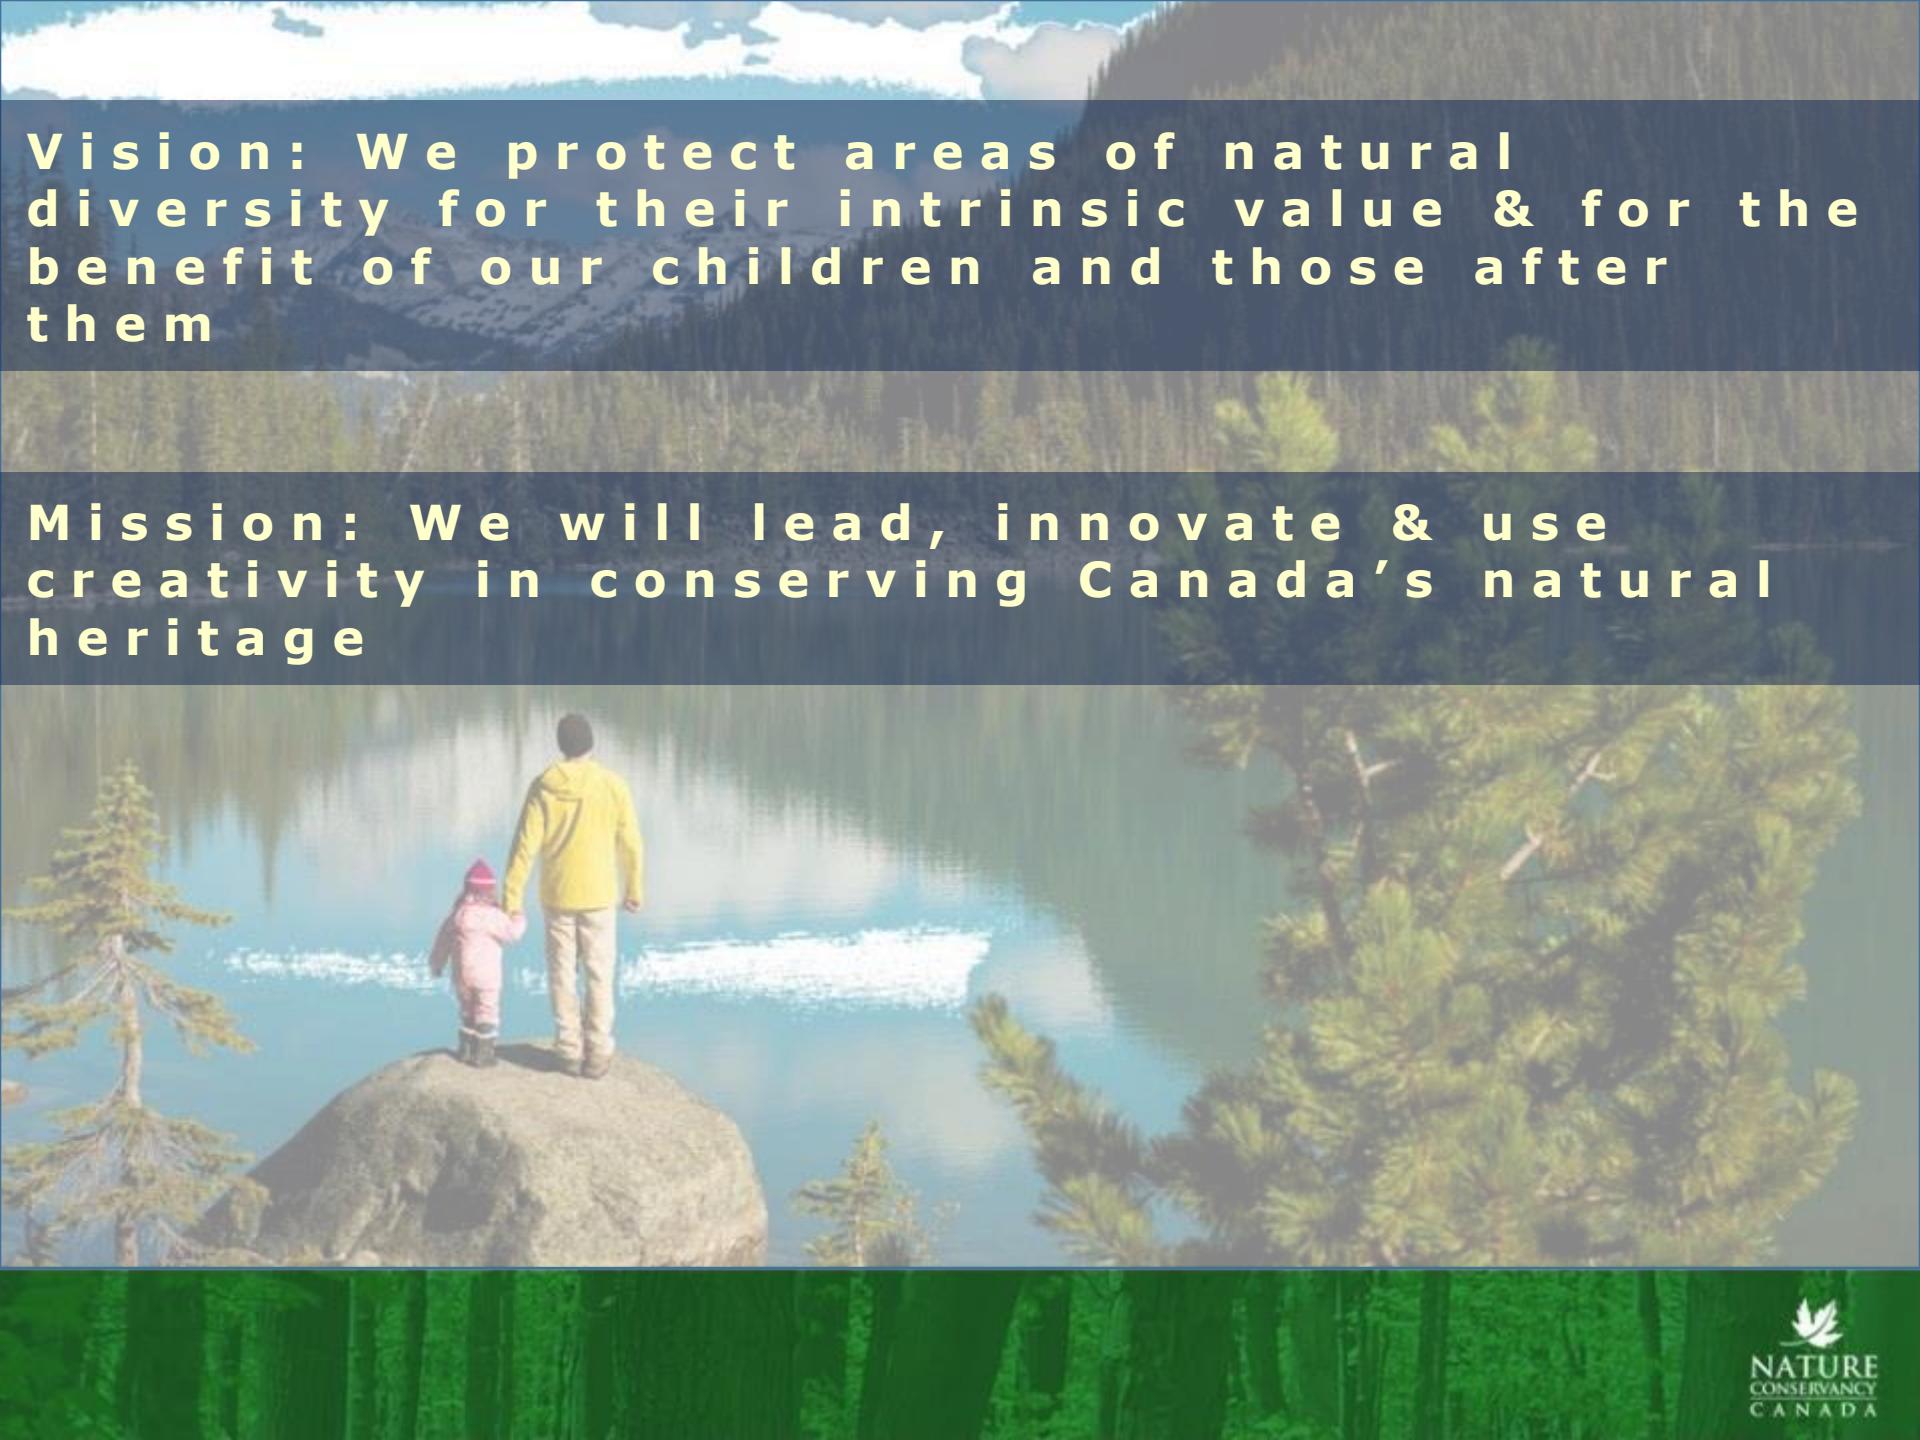

## Presentation Outline

**Who NCC is**

**What we do and how**

**Bunchberry Meadows**

**Next steps & timeframes**

**Vision:** We protect areas of natural diversity for their intrinsic value & for the benefit of our children and those after them

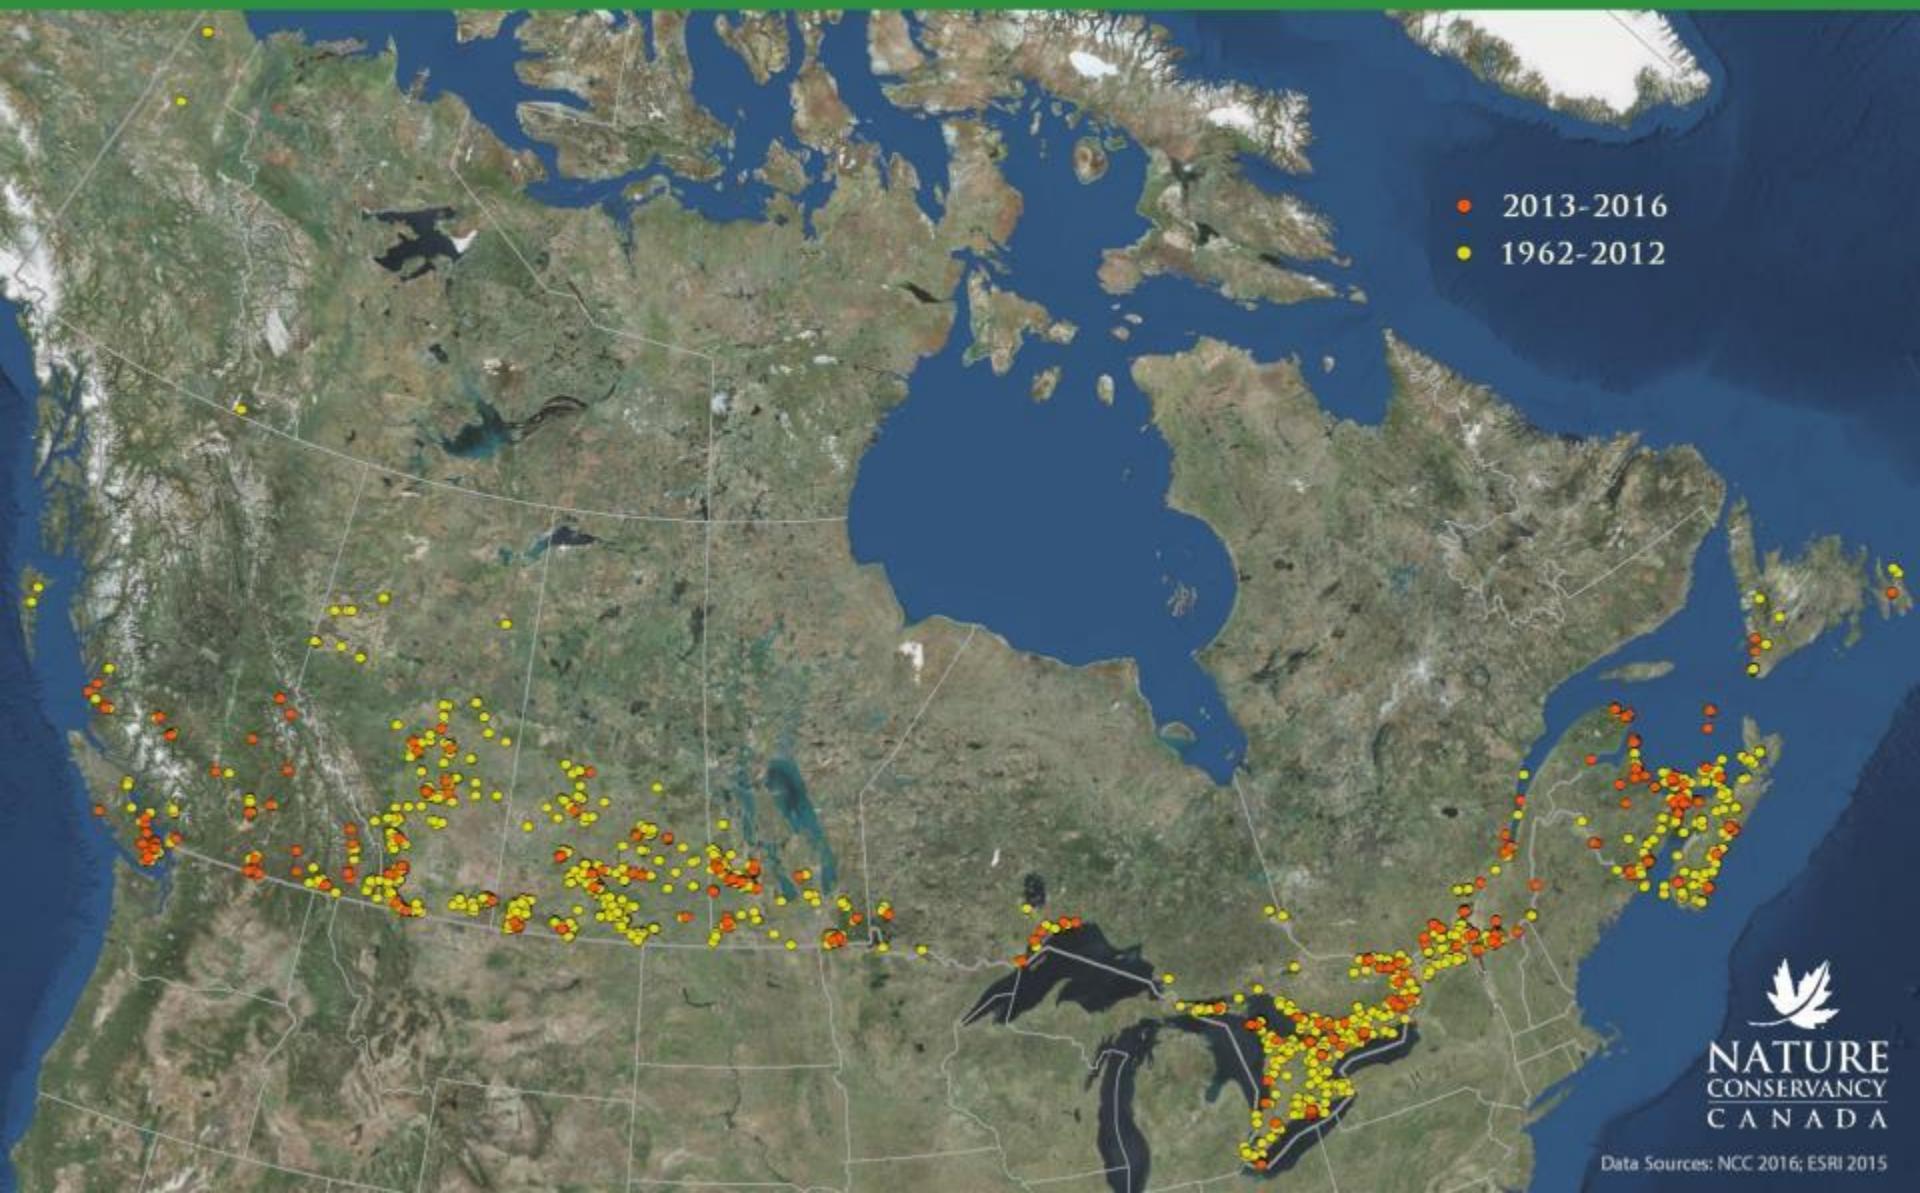

**Mission:** We will lead, innovate & use creativity in conserving Canada's natural heritage

# How We Work

- We conserve land through:
  - Conservation Easements
  - Land Purchase / Donations
  - Crown Lands
  - We partner when possible

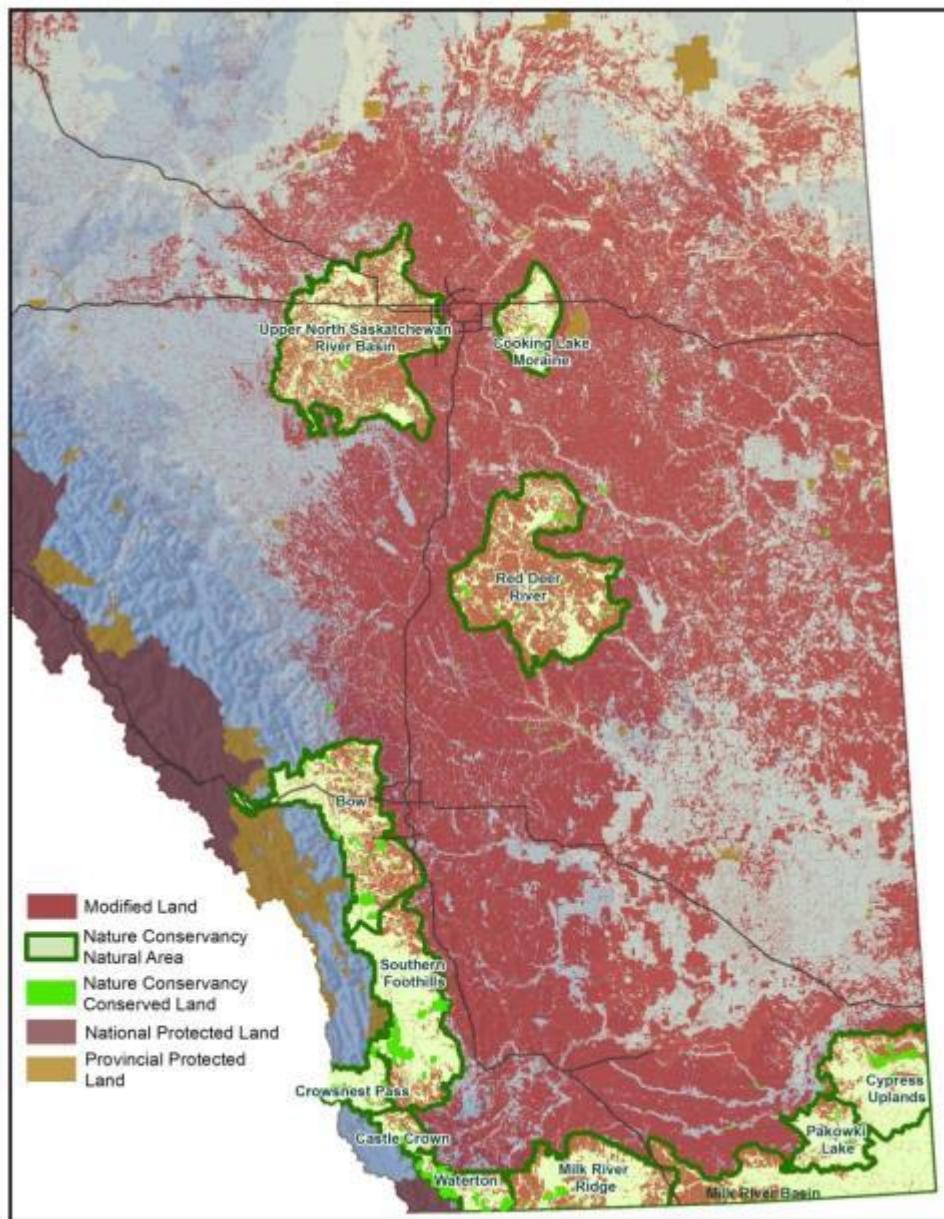

# LANDS CONSERVED BY THE NATURE CONSERVANCY OF CANADA

JANUARY 1, 2013 - APRIL 30, 2016

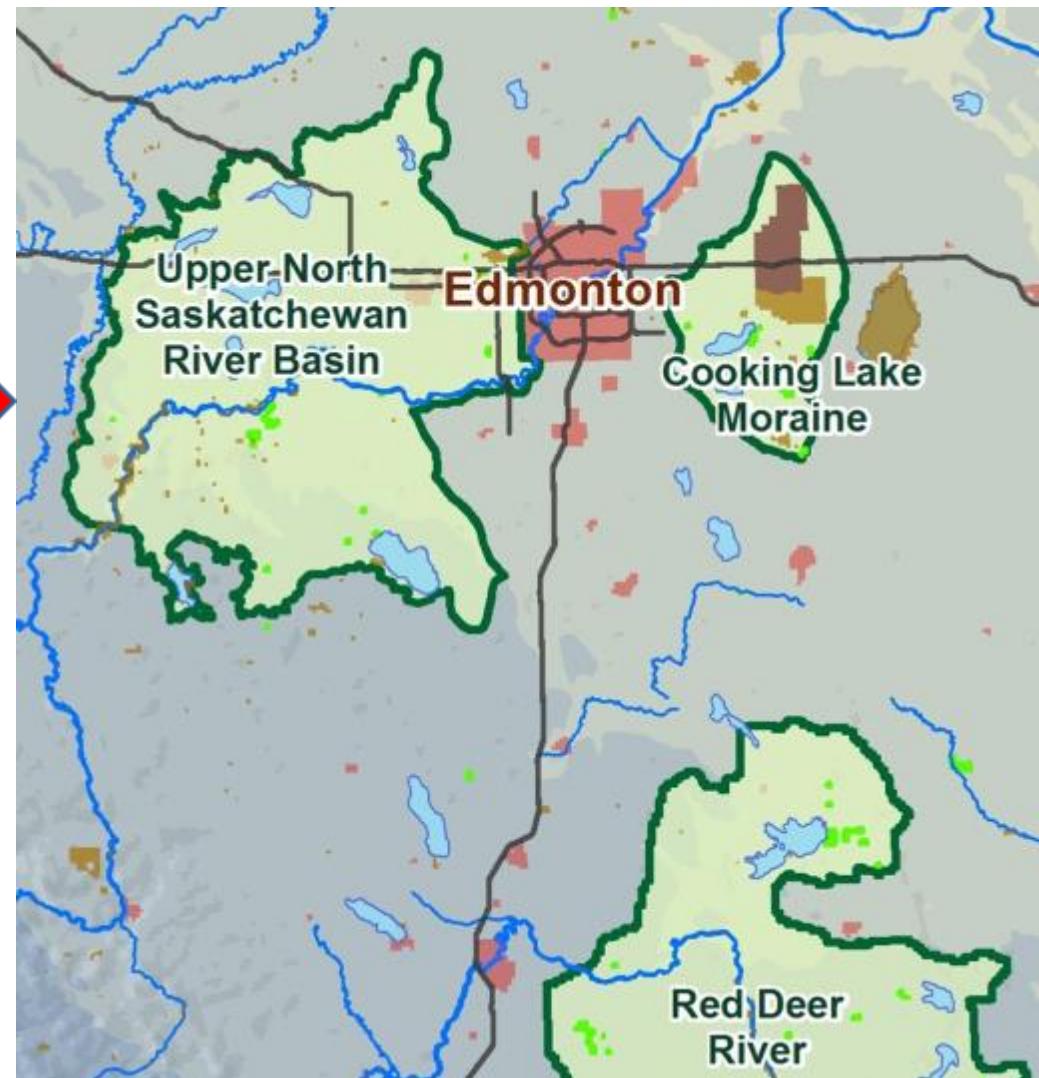

Data Sources: NCC 2016; ESRI 2015

# Prioritization of Land

BOUNDARY TRAIL 7KM

DOVONIAN GARDEN TRAIL 1.5 KM

NORTH

# Parkland County Application

Application was sent to the County asking for 5 things:

- Washroom servicing
- Garbage removal
- Rezoning of the lands
- Tax exemption under the COPTER program (encouraged by MD staff)
- Support in developing the parking lot and approaches
