THE APPROACH

Public Engagement

THE FRAMEWORK

THE WORK PLAN

OUALITY OF LIFE

Quality of life for all residents.

RURAL CHARACTER

A vibrant rural character, sense of community and strong local heritage.

INCLUSIVE & VALUED COMMUNITIES

All members of our community are empowered, included and valued.

BALANCED LANDSCAPES Balanced interests and reduced conflict between developed,

natural, and working landscapes.

COMPLETE COMMUNITIES

Complete communities and prosperous hamlets that support live, work and play.

Innovative and diversified industrial and commercial development.

VALUE-ADDED AGRICULTURE A vibrant agricultural economy.

RECREATION & TOURISM A diverse and prosperous recreation and tourism market.

RURAL BUSINESS

Wide-spread entrepreneurship and rural diversification of business opportunities.
