FCM Offers Grants for Climate Change Staff in Municipalities

FCM now offers climate change staff grants for Canadian municipalities with populations of 150,000 or less, providing up to \$125,000 over two years to supplement the salary of a new or existing municipal employee who will work on initiatives to reduce greenhouse gas (GHG) emissions or improve adaptation to local climate change impacts.

Alberta Energy Efficiency Summit, May 16 & 17

The Alberta Energy Efficiency Alliance (AEEA) is pleased to present the Alberta Energy Efficiency Summit on May 16 and 17, 2018. The AEEA will host this two day event, designed to offer delegates a forum to collaborate, learn, network, and receive insights into the latest trends in energy efficiency. Through this event, the AEEA strives to engage with its members and other industry stakeholders to increase and promote the conversations taking place around energy efficiency in the province. We hope you can join us for what is sure to be an insightful two days of discussion, professional development, and networking. Use the code RMA18 when you register to save 10%!

REMINDERS

Take Half a Day to Learn About Asset Management for the Benefit of Your Community!

RMA invites elected officials and CAOs from all municipalities in Alberta to sign up for our FREE half day workshops on asset management. In partnership with AUMA and Infrastructure and Asset Management Alberta (IAMA), we are hosting workshops across the province that are geared towards rural and small urban municipalities with limited asset management experience, or for those who want to go deeper into various topics.
