

FEATURED:

RMA Resolution Database Under Construction

As RMA transitions to a new website, the resolution database will remain temporarily unavailable. RMA plans to have the resolution database updated with resolutions from the spring 2018 convention; we are also working to improve its performance and ease of use. We apologize for any inconvenience this may cause.

Asset Management Workshops

RMA, AUMA, and Infrastructure and Asset Management Alberta (IAMA) have been working to bring you **FREE** workshops to introduce you and your council to the ins and outs of asset management. The workshops will also show how you can support your staff by championing asset management in your community.
