Spring 2018 Advocacy Report Card Now Available

RMA is pleased to provide the members with an update on advocacy efforts through the **Spring 2018 Advocacy Report Card**. The Advocacy Report Card is an important part of the RMA's efforts to be transparent and accountable to members, as it provides an update on the RMA's advocacy efforts and statuses of all active resolutions, including initial statuses and RMA reactions to the Fall 2017 resolutions.

Municipal Management of Water Bodies: A Community Conserve Project out Now!

Alberta's water bodies are a valuable resource; their regulation and proper management is essential for safe drinking water, healthy aquatic ecosystems, watershed resiliency, among other things. The second publication in the Environmental Law Centre's Municipalities and Environmental Law Series for the Community Conserve Project explores when and how municipalities can regulate the water bodies within their boundaries.
