

**PARKLAND COUNTY
PROVINCE OF ALBERTA**

BYLAW 2018-31

**BEING A BYLAW OF PARKLAND COUNTY FOR THE PURPOSE OF AMENDING
ACHESON INDUSTRIAL AREA STRUCTURE PLAN BYLAW 2014-29**

WHEREAS the Council of Parkland County passed a Bylaw pursuant to Part 17, Section 633 of the *Municipal Government Act*, R.S.A. 2000, c.M-26, known as the Acheson Industrial Area Structure Plan Bylaw 2014-29, for the purpose of providing policy direction for land use within the Acheson Industrial Area Structure Plan area;

WHEREAS and pursuant to Part 17, Section 692 of the *Municipal Government Act* the Council of a municipality is authorized to amend an Area Structure Plan Bylaw; and

WHEREAS and pursuant to Part 17, Section 692 of the *Municipal Government Act* requires the Council of a municipality to hold a public hearing and advertise such a Bylaw in accordance with Sections 230 and Section 606 of the *Municipal Government Act*, respectively.

NOW THEREFORE the Council of Parkland County duly assembled and under the authority of the *Municipal Government Act*, as amended, hereby enacts the following:

BYLAW 2014-29 AMENDMENTS:

1. That Bylaw 2014-29, being the Acheson Industrial Area Structure Plan is amended as follows:

- (1) Replacing “Penn West” with “Tidewater” throughout the document where appropriate.
- (2) Adjusting and adding Policy numbers as needed.
- (3) In Section 5.3, paragraph 1 deleting “26.6%” and inserting “29%”.
- (4) In Section 5.3 paragraph 4 deleting “44%” and inserting “41%”.
- (5) In Table 1 on page 24 inserting a second foot note to Table 1 to read:
**Landowners may terminate oil leases and reclaim the lands for industrial development prior to 2040 subject to negotiation with the respective oil companies and reclamation certificates being issued by Alberta Environment and Parks.
- (6) Revising the Note in Section 5.3, on page 25 to read:

NOTE: Constrained & Delayed Development lands are identified in Figure 6 – Future Land Use Concept as “Outside ASP timelines”. The development potential of Constrained & Delayed Development lands will be reviewed at the next ASP review by Parkland County or in the event a planning application is submitted within the subject “Constrained & Delayed Development” lands subject to the conditions outlined by policy 7.1.2.6.

- (7) In Section 5.5, page 28 and 29 deleting the heading “Hillview Road Upgrades” and the 6 subsequent paragraphs and inserting:

231 Street upgrades

The City of Edmonton is the road authority for Hillview Road. The intersection of Highway 16 and 231 Street is planned to be closed at some point in the future. The City of Edmonton and Parkland County expect the eventual upgrading to Hillview Road. A Memorandum of Understanding was executed by the City and the County on September 14, 2018 which outlines the anticipated road standard for 231 Street and the related cost-sharing arrangements between the City and the County for this capital project. Proposed conceptual schemes will require planned intersection locations and access from Parkland County to 231 Street in accordance with the City of Edmonton’s Access Management Guidelines.

- (8) In Section 6.2.2.4 following the words “next review of the ASP” inserting:
or in the event a planning application is submitted within the subject “Constrained & Delayed Development” lands subject to the conditions of section 7.1.2.6.
- (9) In Section 6.4.2.13 below Zone 1 subsection (c) inserting:

Zone 2:

- (d) *In accordance with the City of Edmonton, the updated Concept Plan for 231 Street between Highway 16 and Highway 16A could potentially include a*

modified cross section which would be a 3 –land urban/rural hybrid cross section, which would prove the opportunity for curb and gutter with utilities on the East side of 231 Street and ditches along the West Side.

(e) Conceptual Schemes will require planned intersection locations and access from Parkland County to 231 Street in accordance with the City of Edmonton’s Access Management Guidelines.
