WHAT IS THE SMART CITIES CHALLENGE?

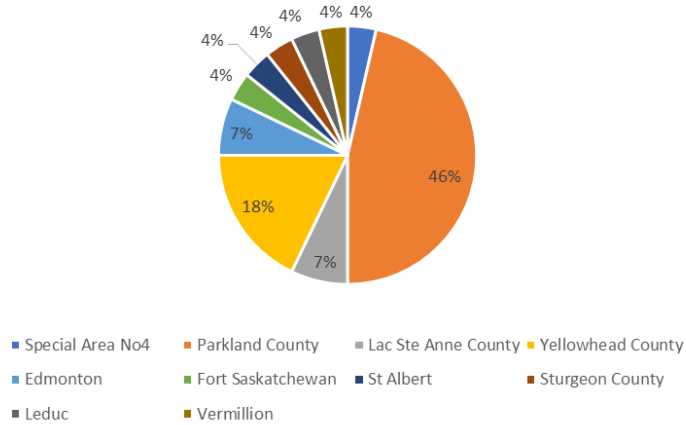

- Infrastructure Canada initiative to improve the lives of Canadians through
 - Innovation
 - Data
 - Connected technologies
- Our application was selected by a jury in April 2018 as a finalist in the \$10 million category (population under 500,000).
- Infrastructure Canada provided us with \$250,000 to develop the comprehensive application
- There are 2, \$10 million prizes and 10 finalist in this category so we have a 1 in 5 chance!
