

## Attachment 8: Revision Summary – Text changes noted in red font

Change	From	Revised to:	Rationale/Reason
1. <b>5.1 (d): Text Addition</b>	<i>A subdivision application;</i>	<i>Any subdivision application <b>within the Plan Area or adjacent lands;</b> and,</i>	The revision offers greater clarification as to when a subdivision application referral is required.
2. <b>5.1 (e): Text Addition</b>	<i>A discretionary development permit application.</i>	<i>Any discretionary development permit application <b>that may create off-site impacts which affect the adjacent municipality. Off-site impacts may include noise, odour, or traffic generation on adjacent road networks.</b></i>	The revision offers clarity when considering referrals for discretionary use applications.
3. <b>5.3: Text Addition</b>	<i>Agricultural practices are an integral part of Parkland County's economic and community life. Recognizing Parkland County residents' Right to Farm, agricultural uses adjacent to the Plan Area may result in additional light, noise, dust, and/or traffic in accordance with the Agricultural Operation Practices Act.</i>	<i>Agricultural practices are an integral part of Parkland County's economic and community life. Recognizing Parkland County residents' Right to Farm, agricultural uses <b>in and</b> adjacent to the Plan Area may result in additional light, noise, dust, and/or traffic in accordance with the Agricultural Operation Practices Act.</i>	The revision recognizes that there are lands districted for agriculture uses in the plan area, and not just adjacent to it.
4. <b>8.5: Policy Removed</b>	<i>Future Development – Any future expansion of transportation networks within the Plan Area shall be agreed upon by both municipalities by Council resolution.</i>	Removed	This policy is redundant and overly onerous on the County. The intent of this policy is already captured under 8.1 Transportation Network Referral(s).
5. <b>Section 8: Renumbered</b>	<i>8.6 Servicing and Utilities – Parkland County and the Summer Village shall ensure that any new or expanding development(s) provide servicing to the satisfaction of the governing municipality.</i>	<i><b>8.5</b> Servicing and Utilities – Parkland County and the Summer Village shall ensure that any new or expanding development(s) provide servicing to the satisfaction of the governing municipality.</i>	Removal of policy 8.5 (see above) required numbering adjustment.
6. <b>10.2 c: Text Addition</b>	<i>An IDPC shall be comprised of four (4) members. The IDPC shall have an even number of members from each municipality; two (2) members of Council, two (2) CAOs. An alternate member shall be assigned if any committee member cannot be in attendance.</i>	<i>An IDPC shall be comprised of four (4) members. The IDPC shall have an even number of members from each municipality; two (2) members of Council <b>from each municipality and the CAO from each municipality (advisory role).</b> An alternate <b>Council</b> member shall be assigned if any committee member cannot be in attendance.</i>	Provides greater clarity on the number of councillors, the role of the CAOs and selection of alternate committee members.

<b>7. Map 1: Future Land Use</b>	Shading of Wabamun Lake Crown Reserve changed from light green to grey.	Provide greater visual contrast between the land use categories in Map 1.
<b>8. Map 2: Environmental Features</b>	Shading of Wabamun Lake Crown Reserve changed from light green to grey	Provide greater visual contrast between the land use categories in Map 2.
